TOMAS MARTIN, MD

Tomas Martin, MD, currently provides cardiovascular surgical services at Florida Hospital in Orlando, Florida. He was previously Professor and Chief of Adult Cardiac Surgery and Co-director of The Aorta Center at the University of Florida in Gainesville, Florida.

Dr. Martin earned his medical degree from The University of Texas Medical School at Houston. He completed his general surgery and vascular surgery residencies at the Baylor College of Medicine in Houston, followed by a thoracic and cardiovascular surgical residency at the University of Florida in Gainesville.

Board-certified in thoracic surgery, his clinical interests span the field of surgical heart care, with a specific focus on thoracic aortic aneurysms and dissections, valve surgery, and complex adult cardiac surgery, including caring for patients who need revisional operations.

He is a fellow of the American College of Surgeons and holds membership in numerous professional organizations including the Society of Thoracic Surgeons, the Florida Society of Thoracic Cardiovascular Surgery, and the Association for Academic Surgery. He currently serves on the editorial board of Heart Surgery Forum.

Dr. Martin is active in helping to provide medical and surgical care to people in underserved regions of the world. Through his outreach efforts, he has worked in the Philippines, Haiti, Africa and Dominican Republic.

**The J. Bradley Aust
Surgical Society**
41st Annual Meeting
June 19-21, 2015
(Friday, Saturday, and Sunday)

Concept and Objective

This course is developed to bring graduates up-to-date with ongoing cutting-edge research and activities in the field of surgery. Housestaff research presentations affect this aim.

An honored guest discusses two major surgical considerations for the current year. Additional focus topics in this annual meeting include: Cardiothoracic Surgery, General Surgery, Surgical Oncology, Transplant Surgery, and Trauma and Acute Care Surgery.

Time is allotted for questions, answers, and discussion of presentations between alumni and faculty.

Accreditation

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of The UT Health Science Center San Antonio School of Medicine and the J. Bradley Aust Surgical Society. The UT Health Science Center San Antonio School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The UT Health Science Center San Antonio School of Medicine designates this live activity for a maximum of 16.0 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

THE J. BRADLEY AUST SURGICAL SOCIETY

announces
